Six Autos Banged By Hoppin Hyster
 Six cars were bumped and banged Monday afternoon when a caboverly truck went out of control on Plaza Del Amo in front of the Board of Education offices.
 Carl A. Scroggin, 21929 Dolores Ave., driver of the lift-type truck, told Torrance policeman J. E. Miles that he was traveling at about 15 miles per hour, backwards, as is necessary when driving a Hyster. His machine went out of control and smashed into the cars.
 Autos receiving bumped fenders and front grills included those of A. E. Clements, Hawthorne; Doris E. Hakanson, 2720 Gramercy Ave.; Evelyn A. Clark, 1548 1/2 Marcelina Ave.; Wm. J. Brodsky, 2508 Lesserman Ave.; J. J. Sheehan, Redondo Beach; and Florence Simon, 1720 Andreo Ave.

Torrance's Two Hospitals Fully Approved In Survey
 Torrance's two hospitals—Harbor General and Torrance Memorial—were given clean bills of health this week with the release of the 34th annual list of approved hospitals compiled by the American College of Surgeons.
 Included in a list of 4111 hospitals of 25 or more beds, the two Torrance hospitals were among the 2991 fully approved by the college.
 Each hospital in the survey is reconsidered for approval each year.
 The Standard for Hospitals, set up by the college as a basis for approval, includes the following fundamental principles:
 1.—Modern physical plant, assuring the patient safety, comfort and efficient care.
 2.—Clearly defined organization, duties, responsibilities and relations.
 3.—Carefully selected governing board with complete and supreme authority.
 4.—Competent chief executive officer or administrator, well trained in all phases of hospital administration, with authority and responsibility to interpret and carry out the policies of the hospital as authorized by the governing board.
 5.—Adequate and efficient personnel, properly organized and competently supervised.
 6.—Organized medical staff of ethical, competent physicians and surgeons.
 7.—Adequate diagnostic and therapeutic facilities under competent medical supervision.
 8.—Accurate, complete medical records, readily accessible for research and follow-up.
 9.—Regular group conferences of the administrative staff and of the medical staff for reviewing activities and results so as to maintain a high plane of scientific efficiency.
 10.—A humanitarian spirit—the primary consideration being the best care of the patient.

Wreck 'Victim' Gets Free Ride—To City Jail
 Figueredo-Miller ambulance and Traffic Officers Don Nash and Harvie Turrentine rushed to 190th St. and Crenshaw Blvd. last Wednesday night after Gardena Police Department reported that the crumpled body of an apparent hit-run victim was along the road.
 Upon arrival they found the victim very much alive and staggering around the street. "I want a free ride downtown so I pretended to be hurt," police reported he said. So they gave him one—to the city jail, where he was booked on a drunk charge.

FIRE RAZES TRAILER IN POURING RAIN
 Fire did an estimated \$300 damage to a trailer home parked in a trailer court at 17524 S. Figueroa St. before it was quelled by county fire crews early Friday morning.
 Firemen from the Carson St. station joined with another county fire company and one Los Angeles city fire rig to fight the blaze—in a pouring rainstorm.
 Capt. Ed Evans, Engine 36, was in charge. No one was injured.

Salvation Army Asks Housewives To Clean Out Closets, Garages
 Torrance housewives can perform a social service when they clean out closets and garages during spring cleaning, Brigadier Hanson D. Gifford, manager of the Salvation Army Social Service Center which serves this area, pointed out this week.
 He explained that castoff articles which are uncovered will help the Salvation Army to carry on its program of social rehabilitation.
 Discarded materials donated last year by Torrance residents and recognized in the Social Service Center's workshops provided needy and handicapped men with thousands of hours of work therapy, meals, beds and financial aid, Brigadier Gifford said.
 During the annual Torrance Salvage Week drive April 6 to 12, a special fleet of Red Shield trucks will operate from the center to collect discards.
 J. Hugh Sherfy Jr., chairman of the Salvage Week committee, urged local residents to telephone Torrance 3634 to bring a truck to home or office.
 Brigadier Gifford reported that the center has continuing need for used clothing, shoes, furniture, bedding, dishes, household appliances, radios, stoves, rugs, rags and miscellaneous articles.
